Technical Assistance Program

The Technical Assistance Program (TAP) offers certified Minority Business Enterprises (MBEs) and MBE Subscribers **unprecedented access to technical and professional services** in the areas of Legal, Accounting & Business Compliance and Sales Coaching & Training. The Florida State Minority Supplier Development Council (FSMSDC) has partnered with leading experts in all four industries to offer professional consultation and assistance.

Meet with experts in the following industries:

Legal Services

provided by *Quintairos, Prieto, Wood and Boyer P.A.*

Accounting & Business Compliance Services

provided by *LM Austin, LLC*

Sales Coaching & Training

provided by *The Sales Evangelist*

The FSMSDC will cover the cost of the first two (2) hours of consultation per FSMSDC certified MBE & three (3) hours per MBE Subscriber. Additional hours are available at reduced rates. The goal of TAP is to empower firms with a level of professional guidance rarely leveraged by MBEs, especially as they attempt to operationally transition into new contracts or revenue generating opportunities.
